**SPECIAL REPORT OF THE BOARD OF DIRECTORS PURSUANT TO
ARTICLES 583 AND 596 IN CONJUNCTION WITH ARTICLE 598 OF THE COMPANIES CODE
WITH RESPECT TO THE ISSUE OF CONVERTIBLE BONDS**

1. Introduction

This special report has been prepared by the board of directors of TiGenix NV (the "**Company**") in accordance with Articles 583, 596 and 598 of the Companies Code in relation to the proposal to issue senior unsecured convertible bonds due 2018 as described below (the "**Convertible Bonds**") and to cancel the preferential subscription right of the Company's existing shareholders in connection with the proposed issuance of the Convertible Bonds (the "**Transaction**").

The Convertible Bonds will have the form of convertible bonds (*converteerbare obligaties / obligations convertibles*) within the meaning of Articles 489 and following of the Companies Code. The Convertible Bonds will be unsecured, meaning that the holders of the Convertible Bonds will not benefit from any security interests to secure the performance of the Company's obligations under the Convertible Bonds, except for the guarantee to be provided by the Company's subsidiary TiGenix S.A.U., the coupon escrow and the negative pledge as further described in section 3 below. The Convertible Bonds will constitute senior obligations of the Company, meaning that the obligations of the Company will not be subordinated to the repayment of any other unsecured financial indebtedness of the Company. The Convertible Bonds will rank at all times *pari passu* and rateably, without any preference among themselves, and equally with all other existing and future unsecured (subject to the coupon escrow and the negative pledge) and unsubordinated obligations of the Company.

In this report, you will find (i) a description of the authorised capital, (ii) a description and justification of the proposed Transaction, (iii) the justification of the issue price of the Convertible Bonds, (iv) the justification of the cancellation of the preferential subscription right and (v) the financial consequences of the Transaction for the shareholders.

This report of the board of directors should be read together with the report of the Company's auditor prepared in accordance with Articles 596 and 598 of the Companies Code.

2. Authorised capital

2.1 Description of the authorised capital

In accordance with Article 6.1 of the Articles of Association, the board of directors of the Company is authorised to increase the share capital by a total (cumulated) amount equal to the registered capital being EUR 16,047,662.00 in the framework of the authorised capital. This authorisation has been granted by the shareholders' meeting of 8 September 2014 and is valid for a period of 5 years as of the publication of that resolution in the annexes to the Belgian State Gazette of 8 October 2014.

Pursuant to article 6.2 of the Articles of Association, the board of directors is also authorised to issue convertible bonds within the limits of the authorised capital and to resolve in that respect to limit or cancel the preferential subscription rights of the existing shareholders. This limitation or cancellation

ENGLISH TRANSLATION FOR INFORMATION PURPOSES ONLY

can occur for the benefit of the employees of the Company or its subsidiary, as well as for the benefit of one or more specific persons even if these are not employees of the Company or its subsidiaries.

Accordingly, with a view to issuing the Convertible Bonds, the board of directors wishes to utilise this authorisation in respect of the authorised capital and to cancel the preferential subscription rights of the existing shareholders.

2.2 Available amount of the authorised capital

Since the authorisation by the shareholders' meeting on 8 September 2014, the board of directors has not yet used the authorised capital. The available authorised capital therefore amounts to EUR 16,047,662.00 immediately prior to the issuance of the Convertible Bonds in the framework of the Transaction.

3. Transaction and modalities

The board of directors proposes to issue Convertible Bonds for a total maximum amount of EUR 25 million in the framework of the authorised capital of the Company. The board of directors plans to issue the Convertible Bonds and to offer them to a broad range of institutional and qualified investors through an accelerated bookbuilding, primarily (although not exclusively) within the European Economic Area, provided however that the Convertible Bonds shall not be sold in or into the United States or to investors in Canada, Australia, or Japan (the "**Offering**").

The Offering will occur on a date that will be determined by the board of directors or any of its proxy holders and will be performed by Nomura International plc in its capacity as sole bookrunner (the "**Sole Bookrunner**"). With a view to seeking maximum chances of success for the placement of the Convertible Bonds, the Company and the Sole Bookrunner have the flexibility to adjust the amount of the Transaction, the interest rate and the Conversion Premium (as defined hereinafter) to the circumstances at the moment that the Convertible Bonds are placed and to respond to the dynamics of the market, it being understood that such adjustments would always be in compliance with the requirements of article 598 of the Companies Code. Institutional and qualified investors shall be able to indicate to the Sole Bookrunner their interest to subscribe for the Convertible Bonds, as well as the principal amount, interest rate and Conversion Premium for such subscription. On the basis of this process and taking into account the demand and interest of the investors, the final terms of the Convertible Bonds shall be determined. The subsequent allocation of the Convertible Bonds will be established by applying objective criteria of quality and price.

Grifols Worldwide Operations Limited, a company organised and existing under the laws of Ireland, having its registered office at 70 Sir John Rogerson's Quay, Dublin 2, Ireland, or any other affiliate of the Grifols group ("**Grifols Worldwide**") may participate in the Offering. The actual number of Convertible Bonds to be subscribed for and allocated to Grifols Worldwide will depend on the results of the book-building as carried out by the Sole Bookrunner. The board of directors will therefore apply the provisions of Article 598 of the Companies Code. Please revert to section 5 below for a justification of the conversion price of the Convertible Bonds.

The issue conditions of the Convertible Bonds are set out in the Terms and Conditions of the Convertible Bonds (the "**Issue Conditions**") attached as Schedule 1 to this report, which will be finalised at the end of the book-building procedure within the limits set out in this report. The main terms can be summarised, for information purposes, as follows:

Issuer: TiGenix NV.

Guarantor: TiGenix S.A.U., who shall unconditionally and irrevocably guarantee the due and punctual payment of all sums payable by the Company under the Convertible Bonds and the performance of all the Company's other obligations under the Convertible Bonds.

Clean-up Call: The Company may redeem all, but not some only, of the outstanding Convertible Bonds at their Principal Amount (plus accrued interest) at any time if less than 15% of the aggregate Principal Amount of the Convertible Bonds originally issued remains outstanding, by giving not less than 30 and not more than 60 days notice.

Governing Law:	English Law, other than the provisions relating to meetings of Bondholders and any matter relating to the dematerialised form of the Convertible Bonds which shall be governed by Belgian Law.

4. Justification of the issuance of the Convertible Bonds

The net proceeds from the issue of the Convertible Bonds will be used primarily by the Company in connection with the clinical development of its products and related matters, with part of the proceeds being used to fund the Escrow Account pursuant to the escrow arrangements described under "Coupon Escrow" above.

The clinical development of the Company's products is currently expected to include:

- (i) progressing, with a view to finalising, the European Phase 3 clinical trial for Cx601 for the treatment of complex perianal fistulas in Crohn's disease patients; and
- (ii) advancing the clinical development of Cx611 in early rheumatoid arthritis in Phase 2 and severe sepsis in Phase 1 and Phase 2 clinical trials.

In addition, the Company may use part of the proceeds for general corporate purposes (including research and development and working capital requirements), consistent with the Company's strategy.

In the event of a full subscription of the Convertible Bonds, the Company is of the opinion that it has sufficient working capital to cover its working capital needs until mid second quarter of 2016.

By providing for a right to convert the Convertible Bonds into shares of the Company, the Company can attract convertible bond investors. The board of directors is of the opinion that the contemplated terms are in the interest of the Company taking into account:

**ENGLISH TRANSLATION
FOR INFORMATION PURPOSES ONLY**

- current market opportunities;
- the flexibility afforded by the Convertible Bonds;
- the alternative sources of funding in terms of cost and maturities currently available to the Company.

It should be noted that if and to the extent the Convertible Bonds are ultimately converted into new shares of the Company, the Company will be able to convert the debt represented by the Convertible Bonds into share capital (and issue premium), and thus reinforce its net equity position.

For all of the above reasons, the board of directors believes that the issue of the Convertible Bonds and the other proposed resolutions in connection with the Convertible Bonds, are in the interest of the Company.

5. Justification of the Conversion Price of the Convertible Bonds

Pursuant to the Issue Conditions, the holder of a Convertible Bond has the right to convert its Convertible Bond(s) during the Conversion Period into fully paid Shares issued by the Company representing the share capital of the Company and having the same rights as the existing shares issued by the Company.

The issue price of the Shares upon conversion is equal to the Conversion Price as initially determined by the board of directors or any proxy holder on the date of the Offering by applying a premium of 25-30% to the Reference Share Price (as defined in section 3 above). The Conversion Price shall thus include a premium to the market price of the Company's Shares at the time of the placement of the Convertible Bonds.

The Reference Share Price shall not be lower than the average closing price of the Company's Shares on Euronext Brussels over the 30 day period preceding the date on which the Offering commenced. The Conversion Price, which will be set at a premium of 25-30% to the Reference Share Price, shall therefore meet the minimum price requirements as set out in article 598 of the Companies Code.

With effect from the first business day in Brussels following the first anniversary of the Closing Date (the "**Conversion Price Reset Date**"), the Conversion Price shall be adjusted so as to equal the greater of:

- (i) the average of the VWAP of a Share on each trading day in the Reset Period; and
- (ii) 80 per cent. of the average of the Conversion Price in effect on each trading day in the Reset Period,

provided that no adjustment will be made if such adjustment would result in an increase to the Conversion Price. The Conversion Price so adjusted on the basis of the Conversion Price Reset shall not be lower than the Reference Share Price (i.e. 80 per cent. of the Conversion Price).

The Conversion Price can also be adjusted in the case of a Change of Control over the Company as further described in the Issue Conditions. The Company was advised that in view of current market practice investors expect a Change of Control clause as set out above and that such a clause is necessary to be able to place the Convertible Bonds with qualified and institutional investors. The board of directors is of the opinion that the benefits of the issue of the Convertible Bonds as further set out in section 4 outweigh the potential disadvantages for the existing shareholders such as dilution and conceivably a lower offer price in the event of a public takeover bid. The conversion price adjustment mechanism upon a Change of Control is subject to the approval of the shareholders' meeting in accordance with Article 556 of the Companies Code. For the avoidance of doubt, the Change of Control Conversion Price (as defined above in section 3) shall not be lower than the Reference Share Price.

ENGLISH TRANSLATION FOR INFORMATION PURPOSES ONLY

Finally, it should be noted that the Company reserves the right to effect certain transactions in relation to its share capital or similar transactions (e.g., share consolidations, share splits, rights issues, capital distributions and bonus issues). In such a case, the Conversion Price may need to be adjusted and reduced based on specific formulas included in antidilution protection mechanisms set out in the Issue Conditions. These adjustment mechanisms are customary in the Euromarket for securities of the type of the Convertible Bonds and consistent with the principle set out in Article 490 of the Companies Code.

The capital increase established as a result of the conversion of the Convertible Bonds will be booked as follows:

- The portion of the Conversion Price up to the accounting par value of EUR 0.10 per share will be recorded on the "Capital" account;
- The balance will be recorded on the "Issuance Premium" account, which in the same manner as the Company's share capital serves as guarantee for third parties and which, save for the possibility of conversion into capital, can only be decided on in accordance with the conditions required for an amendment of the Articles of Association.

Taking into account the aforementioned benefits of the Transaction for the Company (see section 3 above), the board of directors is of the opinion that the Conversion Price is justified since it strikes a reasonable balance between the interests of the existing shareholders and those of the holders of the Convertible Bonds.

6. Cancellation of the preferential subscription right

The board of directors resolves to cancel the preferential subscription right of the existing shareholders in favour of qualified and institutional investors to be contacted by the Sole Bookrunner through an accelerated book-building process. As Grifols Worldwide may participate in the Offering, the requirements of Article 596 of the Companies Code have been applied in conjunction with Article 598 of the Companies Code.

The board of directors is of the opinion that the cancellation of the preferential subscription right offers the Company prospects (i) to take advantage of the opportunity to execute the Transaction and (ii) to obtain additional financial means within a short timeframe that will allow the Company to continue its operations. An issue with preferential subscription right would require more time to complete and the result would be more uncertain.

The cancellation of the preferential subscription rights in the framework of the Transaction in favour of qualified and institution investors (including Grifols Worldwide) is therefore in the interest of the Company.

7. Financial consequences of the transaction for the existing shareholders of the Company

7.1 Evolution of the registered capital and the share in the profits

The registered capital of the Company amounts to EUR 16,047,662.00 on the date of this report and is represented by 160,476,620 Shares, without nominal value. In addition, as per 31 December 2014 there are 8,588,978 outstanding warrants (i.e., warrants that have been granted and accepted and that have not yet become null and void for any reason as per 31 December 2014) (the "**Outstanding Warrants**")¹. In accordance with the conditions of the warrants plans under which they were issued,

¹ On 26 February 2007 (800,000), 20 March 2008 (400,000), 19 June 2009 (500,000), 12 March 2010 (500,000), 6 July 2012 (4,000,000), 20 March 2013 (777,000), 16 December 2013 (1,806,000) and 22 April 2014 (1,994,302) in the aggregate 10,777,302 warrants were issued, subject to the warrants being granted to and accepted by the beneficiaries. Of these 10,777,302 warrants, (i) 734,800 warrants expired as they were not granted, (ii) 379,250 warrants expired as they were not accepted by their beneficiaries, (iii) 1,071,774 warrants lapsed due to their beneficiaries leaving the Company, and (iv) 2,500 warrants have been exercised. As a result, as at December 31, 2014, there are 8,588,978 warrants outstanding. The warrants

**ENGLISH TRANSLATION
FOR INFORMATION PURPOSES ONLY**

upon exercise, the Outstanding Warrants entitle the warrant holders to one new Share in the Company per exercised warrant, being a total of 8,588,978 new Shares in the Company if all 8,588,978 Outstanding Warrants are exercised.

The financial consequences and the dilutive effect of the capital increase that may be established as a result of the conversion of the Convertible Bonds can be indicatively illustrated in the following table. The table is based on the following hypotheses:

- As the Reference Share Price is not yet known at the time of this report, it has been assumed for the purpose of this report that the Reference Share Price shall be equal to the average closing price of the Company's Shares on Euronext Brussels over the 30 day period preceding the date of this report;
- The aggregate principal amount of the Convertible Bonds amounts to EUR 25 million;
- All of the Convertible Bonds were to be converted into Shares on the basis of the Initial Conversion Price;
- Conversion premium ranges between 25%-30%.

By issuing new Shares, the voting rights and the liquidation and dividend rights will dilute as indicated below:

30-day average closing price ²	Conversion Premium	Conversion Price	Maximum # of new Shares	Maximum dilution of existing shareholders without exercise of Outstanding Warrants	Maximum dilution of existing shareholders with full exercise of Outstanding Warrants
EUR 0.7531	25%	EUR 0.9414	26,556,192	14.20%	13.58%
EUR 0.7531	30%	EUR 0.9790	25,536,261	13.73%	13.12%

The current par value of the Shares in the Company amounts to EUR 0.10. Upon conversion of the Convertible Bonds, the principal amount of the Convertible Bonds shall be allocated as share capital (in an amount per Share equal to the par value) and issue premium (for the surplus).

7.2 Economic consequences of the conversion of the Convertible Bonds

From an accounting perspective, the aggregate amount of the capital increase (including issue premium) resulting from a conversion of the Convertible Bonds shall be allocated entirely to the accounting net assets of the Company. If the Conversion Price of the Convertible Bonds is, respectively, higher or lower than the accounting net assets of the Company on a per-share basis prior to the completion of the conversion, this will result in, respectively, an accretion or a dilution of the accounting net equity per Share from an accounting perspective.

The decision to effectively convert a Convertible Bond will ultimately depend on the decision of the respective Bondholder. Such decision will likely be in function of the market price of the Shares of the Company at the moment of conversion compared to the conversion price of the Convertible Bonds. A Bondholder could realise a capital gain at the time of conversion of the Convertible Bond if the market price of the Shares of the Company at that moment is higher than the conversion price of the Convertible Bond and if the Shares can be sold at such price on the market.

issued on 26 February 2007, 20 March 2008, 19 June 2009, 12 March 2010, 6 July 2012 and 16 December 2013 have a term of 10 years. The warrants issued on 20 March 2013 and 22 April 2014 have a term of 5 years. Upon expiration of the 10 or 5 year term, the warrants become null and void.

² Calculation of the 30-day average closing price of the Company's Shares on Euronext Brussels up to (and including) 25 February 2015.

**ENGLISH TRANSLATION
FOR INFORMATION PURPOSES ONLY**

In view hereof, it is not yet certain whether the Convertible Bonds will ultimately be converted. However, if the Convertible Bonds are converted into new Shares, this will entail a financial dilution of the existing shareholders, as the base assumption is that a Bondholder will only convert a Convertible Bond if the conversion price is lower than the prevailing market price of the Shares at the time of conversion.

The Convertible Bonds will be accounted for in compliance with applicable IFRS.

For the board of directors, on the basis of a power of attorney

Any determination by the Calculation Agent or an Independent Financial Adviser (as applicable) appointed by the Issuer, the Guarantor or, as the case may be, the Trustee in any of the circumstances contemplated in these Conditions shall, save in the case of manifest error, be final and binding on the Issuer, the Guarantor, the Trustee, the Bondholders and (in the case of a determination by an Independent Financial Adviser) the Calculation Agent.

For the purposes of Conditions 6.1, 6.2, 6.3, 6.8, 6.9 and 11 only, (a) references to the **issue** of Ordinary Shares or Ordinary Shares being **issued** shall, if not otherwise expressly specified in these Conditions, include the transfer and/or delivery of Ordinary Shares, whether newly issued and

allotted or previously existing or held by or on behalf of the Issuer or any member of the Group, and (b) Ordinary Shares held by or on behalf of the Issuer or any member of the Group (and which, in the case of Condition 6.2(d), do not rank for the relevant right or other entitlement) shall not be considered as or treated as **in issue** or **issued** or entitled to receive any Dividend, right or other entitlement.

References in these Conditions to principal in respect of the Bonds shall, unless the context otherwise requires, be deemed to include any premium and any other amount (other than interest) which may be payable by the Issuer or, as the case may be, the Guarantor in respect of the Bonds.

5. INTEREST

5.1 Interest Rate

The Bonds bear interest from (and including) the Closing Date at the rate of ●% per annum calculated by reference to the principal amount thereof and payable semi-annually in arrear in equal instalments on 6 March and 6 September in each year (each an **Interest Payment Date**), commencing with the Interest Payment Date falling on 6 September 2015.

The amount of interest payable in respect of a Bond in respect of any period which is shorter than an Interest Period shall be calculated on the basis of the number of days in the relevant period from (and including) the first day of such period to (but excluding) the last day of such period divided by the product of the number of days from (and including) the immediately preceding Interest Payment Date (or, if none, the Closing Date) to (but excluding) the next Interest Payment Date and the number of Interest Periods normally ending in any year.

Interest Period means the period beginning on (and including) the Closing Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date.

5.2 Accrual of Interest

Each Bond will cease to bear interest (a) where the Conversion Right shall have been exercised by a Bondholder, from the Interest Payment Date immediately preceding the relevant Conversion Date or, if none, the Closing Date (subject in any such case as provided in Condition 6.10) or (b) where such Bond is redeemed or repaid pursuant to Condition 7 or Condition 10, from the due date for redemption or repayment thereof unless payment of the principal in respect of the Bond is improperly withheld or refused, in which event interest will continue to accrue at the rate specified in Condition 5.1 (both before and after judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant holder, and (ii) the day seven days after the Trustee or the Principal Paying and Conversion Agent has notified Bondholders of receipt of all sums due in respect of all the Bonds up to that seventh day (except to the extent that there is failure in the subsequent payment to the relevant holders under these Conditions).

6. CONVERSION OF BONDS

6.1 Conversion Period and Conversion Price

Subject as provided in these Conditions, each Bond shall entitle the holder to convert such Bond into new and/or existing Ordinary Shares, as determined by the Issuer, credited as fully paid (a **Conversion Right**).

The number of Ordinary Shares to be issued or transferred and delivered on exercise of a Conversion Right in respect of a Bond shall be determined (by the Calculation Agent or such other person as the

Issuer may then elect) by dividing the principal amount of such Bond to be converted by the conversion price (the **Conversion Price**) in effect on the relevant Conversion Date.

The initial Conversion Price is €● per Ordinary Share. The Conversion Price is subject to adjustment in the circumstances described in Condition 6.2.

A Bondholder may exercise the Conversion Right in respect of a Bond by delivering such Bond (together with a Conversion Notice (as defined below)) to the specified office of any Paying and Conversion Agent in accordance with Condition 6.8 and making any payment required to be made as provided in Condition 6.8, whereupon the Issuer shall (subject as provided in these Conditions) procure the delivery of Ordinary Shares as indicated by the relevant Bondholder in the relevant Conversion Notice, credited as paid-up in full as provided in this Condition 6.

Subject to and as provided in these Conditions, the Conversion Right in respect of a Bond may be exercised, at the option of the holder thereof, at any time (subject to any applicable fiscal or other laws or regulations and as hereinafter provided) from 16 April 2015 (the **Conversion Period Commencement Date**) to the close of business (at the place where the relevant Bond is delivered for conversion) on the date falling 10 dealing days prior to the Final Maturity Date (both days inclusive) or, if such Bond is to be redeemed pursuant to Condition 7.2 or 7.3 prior to the Final Maturity Date, then up to (and including) the close of business (at the place aforesaid) on the 10th dealing day before the date fixed for redemption thereof pursuant to Condition 7.2 or 7.3, unless there shall be a default in making payment in respect of such Bond on such date fixed for redemption, in which event the Conversion Right shall extend up to (and including) the close of business (at the place aforesaid) on the date on which the full amount of such payment becomes available for payment and notice of such availability has been duly given in accordance with Condition 16 or, if earlier, the Final Maturity Date or, if the Final Maturity Date is not a business day (at the place aforesaid), the immediately preceding business day (at the place as aforesaid); provided that, in each case, if such final date for the exercise of Conversion Rights is not a business day (at the place aforesaid), then the period for exercise of Conversion Rights by Bondholders shall end on the immediately preceding business day at the place aforesaid.

Notwithstanding the foregoing, if a Change of Control occurs, the Conversion Right may be exercised prior to the Conversion Period Commencement Date, in which case Bondholders exercising the Conversion Right shall, as a pre-condition to receiving Ordinary Shares, be required to certify in the Conversion Notice, among other things, that it or, if it is a broker-dealer acting on behalf of a customer, such customer:

- (a) will, on conversion, become the beneficial owner of the Ordinary Shares; and
- (b) is located outside the United States (within the meaning of Regulation S under the U.S. Securities Act of 1933, as amended).

Conversion Rights may not be exercised (a) following the giving of notice by the Trustee pursuant to Condition 10 or (b) in respect of a Bond in respect of which the relevant Bondholder has exercised its right to require the Issuer to redeem that Bond pursuant to Condition 7.5.

The period during which Conversion Rights may (subject as provided below) be exercised by a Bondholder is referred to as the **Conversion Period**.

Conversion Rights may only be exercised in respect of the whole of an Authorised Denomination.

Fractions of Ordinary Shares will not be issued or transferred and delivered on the exercise of Conversion Rights or pursuant to Condition 6.3 and no cash payment or other adjustment will be made in lieu thereof.

Without prejudice to the generality of the foregoing, if the Conversion Right in respect of more than one Bond is exercised at any one time such that Ordinary Shares to be delivered on the exercise of Conversion Rights or pursuant to Condition 6.3 are to be registered in the same name, the number of such Ordinary Shares to be delivered in respect thereof shall be calculated on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Ordinary Shares.

The Issuer will procure that Ordinary Shares to be issued or transferred and delivered on the exercise of Conversion Rights will be issued or transferred and delivered as indicated by the holder of the Bonds in the relevant Conversion Notice. Such Ordinary Shares will be deemed to be issued or transferred and delivered on or as of the relevant Conversion Date. Any Additional Ordinary Shares to be issued or transferred and delivered pursuant to Condition 6.3 will be deemed to be issued or transferred and delivered on or as of the relevant Reference Date.

6.2 Adjustment of Conversion Price

Upon the happening of any of the events described below, the Conversion Price shall be adjusted by the Calculation Agent, on behalf of the Issuer, as follows:

- (a) If and whenever there shall be a consolidation, reclassification/redesignation or subdivision affecting the number of Ordinary Shares, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such consolidation, reclassification/redesignation or subdivision taking effect by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Ordinary Shares in issue immediately before such consolidation, reclassification/redesignation or subdivision, as the case may be; and

B is the aggregate number of Ordinary Shares in issue immediately after, and as a result of, such consolidation, reclassification/redesignation or subdivision, as the case may be.

Such adjustment shall become effective on the date the consolidation, reclassification/redesignation or subdivision, as the case may be, takes effect.

- (b) If and whenever the Issuer shall issue any Ordinary Shares credited as fully paid to the Shareholders by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve) other than (i) where any such Ordinary Shares are or are to be issued instead of the whole or part of a Dividend in cash which the Shareholders would or could otherwise have elected to receive, (ii) where the Shareholders may elect to receive a Dividend in cash in lieu of such Ordinary Shares or (iii) where any such Ordinary Shares are or are expressed to be issued in lieu of a Dividend (whether or not a cash Dividend equivalent or amount is announced or would otherwise be payable to Shareholders, whether at their election or otherwise), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue by the following fraction:

$$\frac{A}{B}$$

where:

- A is the aggregate number of Ordinary Shares in issue immediately before such issue; and
- B is the aggregate number of Ordinary Shares in issue immediately after such issue.

Such adjustment shall become effective on the date of issue of such Ordinary Shares.

- (c) If and whenever the Issuer shall declare, announce, make or pay any Dividend to the Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Ordinary Share on the Effective Date; and
- B is the portion of the Fair Market Value of the aggregate Dividend attributable to one Ordinary Share, with such portion being determined by dividing the Fair Market Value of the aggregate Dividend by the number of Ordinary Shares entitled to receive the relevant Dividend (or, in the case of a purchase, redemption or buy-back of Ordinary Shares or any depositary or other receipts or certificates representing Ordinary Shares by or on behalf of the Issuer or any member of the Group, by the number of Ordinary Shares in issue immediately following such purchase, redemption or buy-back, and treating as not being in issue any Ordinary Shares, or any Ordinary Shares represented by depositary or other receipts or certificates, purchased, redeemed or bought back).

Such adjustment shall become effective on the Effective Date, or, if later, the first date upon which the Fair Market Value of the relevant Dividend is capable of being determined as provided herein.

Effective Date means, in respect of this Condition 6.2(c), the first date on which the Ordinary Shares are traded ex- the relevant Dividend on the Relevant Stock Exchange, or, in the case of a purchase, redemption or buy-back of Ordinary Shares or any depositary or other receipts or certificates representing Ordinary Shares by or on behalf of the Issuer or any member of the Group, on the date on which such purchase, redemption or buy-back is made (or, in any such case if later, the first date upon which the Fair Market Value of the relevant Dividend is capable of being determined as provided herein) or, in the case of a Spin-Off, on the first date on which the Ordinary Shares are traded ex- the relevant Spin-Off on the Relevant Stock Exchange.

For the purposes of the above, the Fair Market Value of a Dividend shall (subject as provided in paragraph (a) of the definition of Dividend and in the definition of Fair Market Value) be determined as at the Effective Date, and in the case of a Spin-Off, the Fair Market Value of the relevant Dividend shall be the Fair Market Value of the relevant Spin-Off Securities or, as the case may be, the relevant property or assets.

- (d) If and whenever the Issuer shall issue Ordinary Shares to Shareholders as a class by way of rights, or the Issuer or any member of the Group or (at the direction or request or pursuant to any arrangements with the Issuer or any member of the Group) any other company, person or entity shall issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Ordinary Shares, or any Securities which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to acquire, any Ordinary Shares (or shall grant any such rights in respect of existing Securities so issued), in each case at a price per Ordinary Share which is less than 95% of the Current Market Price per Ordinary Share on the Effective Date, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Ordinary Shares in issue on the Effective Date;
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares issued by way of rights, or for the Securities issued by way of rights, or for the options or warrants or other rights issued or granted by way of rights and for the total number of Ordinary Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Ordinary Share; and
- C is the number of Ordinary Shares to be issued or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase or other rights of acquisition in respect thereof at the initial conversion, exchange, subscription, purchase or acquisition price or rate,

provided that if, on the Effective Date, such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of the Condition 6.2(d), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 6.2(d), the first date on which the Ordinary Shares are traded ex-rights, ex-options or ex-warrants on the Relevant Stock Exchange.

- (e) If and whenever the Issuer or any member of the Group or (at the direction or request or pursuant to any arrangements with the Issuer or any member of the Group) any other company, person or entity shall issue any Securities (other than Ordinary Shares or options, warrants or other rights to subscribe for or purchase or otherwise acquire any Ordinary Shares or Securities which by their terms carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or rights to otherwise acquire, Ordinary Shares) to Shareholders as a class by way of rights or grant to Shareholders as a class by way of rights

any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Securities (other than Ordinary Shares or options, warrants or other rights to subscribe for or purchase or otherwise acquire Ordinary Shares or Securities which by their term carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or rights to otherwise acquire, Ordinary Shares), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Ordinary Share on the Effective Date;
and

B is the Fair Market Value on the Effective Date of the portion of the rights attributable to one Ordinary Share.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 6.2(e), the first date on which the Ordinary Shares are traded ex-the relevant Securities or ex-rights, ex-option or ex-warrants on the Relevant Stock Exchange.

- (f) If and whenever the Issuer shall issue (otherwise than as mentioned in Condition 6.2(d) above) wholly for cash or for no consideration any Ordinary Shares (other than Ordinary Shares issued on conversion of the Bonds or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or right to otherwise acquire Ordinary Shares and other than (1) where any such Ordinary Shares are or are to be issued instead of the whole or part of a Dividend in cash which the Shareholders would or could otherwise have elected to receive, (2) where the Shareholders may elect to receive a Dividend in cash in lieu of such Ordinary Shares or (3) where any such Ordinary Shares are or are expressed to be issued in lieu of a Dividend (whether or not a cash Dividend equivalent or amount is announced or would otherwise be payable to Shareholders, whether at their election or otherwise)) or if and whenever the Issuer or any member of the Group or (at the direction or request or pursuance to any arrangements with the Issuer or any member of the Group) any other company, person or entity shall issue or grant (otherwise than as mentioned in Condition 6.2(d) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Ordinary Shares (other than the Bonds, which term shall for this purpose include any Further Bonds), in each case at a price per Ordinary Share which is less than 95% of the Current Market Price per Ordinary Share on the date of the first public announcement of the terms of such issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A is the number of Ordinary Shares in issue immediately before the issue of such Ordinary Shares or the grant of such options, warrants or rights;

- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the issue of such Ordinary Shares or, as the case may be, for the Ordinary Shares to be issued or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Ordinary Share; and
- C is the number of Ordinary Shares to be issued pursuant to such issue of such Ordinary Shares or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights,

provided that if, on the Effective Date, such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this Condition 6.2(f), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 6.2(f), the date of issue of such Ordinary Shares or, as the case may be, the grant of such options, warrants or rights.

- (g) If and whenever the Issuer or any member of the Group or (at the direction or request of or pursuant to any arrangements with the Issuer or any member of the Group) any other company, person or entity (otherwise than as mentioned in Conditions 6.2(d), 6.2(e) or 6.2(f) above) shall issue wholly for cash or for no consideration any Securities (other than the Bonds, which term for this purpose shall exclude any Further Bonds) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, purchase of, or rights to otherwise acquire, Ordinary Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be reclassified/redesignated as Ordinary Shares, and the consideration per Ordinary Share receivable upon conversion, exchange, subscription, purchase, acquisition or redesignation is less than 95% of the Current Market Price per Ordinary Share on the date of the first public announcement of the terms of such issue of such Securities (or the terms of such grant), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Ordinary Shares in issue immediately before such issue or grant (but where the relevant Securities carry rights of conversion into or rights of exchange or subscription for, purchase of, or rights to otherwise acquire Ordinary Shares which have been issued, purchased or acquired by the Issuer or any member of the Group (or at the direction or request or pursuant to any arrangements with the Issuer or any member of the Group) for the purposes of or in connection with such issue, less the number of such Ordinary Shares so issued, purchased or acquired);
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares to be issued or otherwise made available

upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to such Securities or, as the case may be, for the Ordinary Shares to be issued or to arise from any such reclassification/redesignation would purchase at such Current Market Price per Ordinary Share; and

C is the maximum number of Ordinary Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription attached thereto at the initial conversion, exchange, subscription, purchase or acquisition price or rate or, as the case may be, the maximum number of Ordinary Shares which may be issued or arise from any such reclassification/redesignation,

provided that if, on the Effective Date, such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or, as the case may be, such Securities are reclassified/redesignated or at such other time as may be provided), then for the purposes of this Condition 6.2(g), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition or, as the case may be, reclassification/redesignation had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 6.2(g), the date of issue of such Securities or, as the case may be, the grant of such rights.

(h) If and whenever there shall be any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any such Securities (other than the Bonds, which term shall for this purpose include any Further Bonds) as are mentioned in Condition 6.2(g) above (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Ordinary Share receivable has been reduced and is less than 95% of the Current Market Price per Ordinary Share on the date of the first public announcement of the proposal for such modification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A is the number of Ordinary Shares in issue immediately before such modification (but where the relevant Securities carry rights of conversion into or rights of exchange or subscription for, or purchase or acquisition of, Ordinary Shares which have been issued, purchased or acquired by the Issuer or any member of the Group (or at the direction or request or pursuant to any arrangements with the Issuer or any member of the Group) for the purposes of or in connection with such Securities, less the number of such Ordinary Shares so issued, purchased or acquired);

B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares to be issued or otherwise made available

upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to the Securities so modified would purchase at such Current Market Price per Ordinary Share or, if lower, the existing conversion, exchange, subscription, purchase or acquisition price or rate of such Securities; and

C is the maximum number of Ordinary Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription, purchase or acquisition attached thereto at the modified conversion, exchange, subscription, purchase or acquisition price or rate but giving credit in such manner as the Calculation Agent in good faith shall consider appropriate for any previous adjustment under this Condition 6.2(h) or Condition 6.2(g) above;

provided that if, on the Effective Date, such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or at such other time as may be provided) then for the purposes of this Condition 6.2(h), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 6.2(h), the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities.

(i) If and whenever the Issuer or any member of the Group or (at the direction or request of or pursuant to any arrangements with the Issuer or any member of the Group) any other company, person or entity shall offer any Securities in connection with which Shareholders as a class are entitled to participate in arrangements whereby such Securities may be acquired by them (except where the Conversion Price falls to be adjusted under Conditions 6.2(b), 6.2(c), 6.2(d), 6.2(e), 6.2(f) or 6.2(g) above or Condition 6.2(j) below (or would fall to be so adjusted if the relevant issue or grant was at less than 95% of the Current Market Price per Ordinary Share on the relevant dealing day)) the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Ordinary Share on the Effective Date; and

B is the Fair Market Value on the Effective Date of the portion of the relevant offer attributable to one Ordinary Share.

Such adjustment shall become effective on the Effective Date.

Effective Date means, in respect of this Condition 6.2(i), the first date on which the Ordinary Shares are traded ex-rights on the Relevant Stock Exchange.

- (j) If a Change of Control shall occur, then upon any exercise of Conversion Rights where the Conversion Date falls during the Change of Control Period, the Conversion Price to be applied with respect to such exercise of Conversion Rights (the **Change of Control Conversion Price**) shall be determined as set out below:

$$COCCP = \frac{OCP}{1 + (CP \times c/t)}$$

where:

COCCP is the Change of Control Conversion Price;

OCP is the Conversion Price in effect on the relevant Conversion Date;

CP is ●% (expressed as a fraction);

c is the number of days from and including the date the Change of Control occurs to but excluding the Final Maturity Date; and

t is the number of days from and including the Closing Date to but excluding the Final Maturity Date.

For the avoidance of doubt, such adjustment shall be effective solely in respect of any exercise of Conversion Rights where the Conversion Date falls during the Change of Control Period.

Bondholders should note that this Condition 6.2(j) and Condition 6.7 will only be effective under Belgian law if, prior to the occurrence of the Change of Control, (i) the terms of this Condition 6.2(j) and Condition 6.7 have been approved by the shareholders of the Issuer in a general meeting and (ii) such resolution has been filed with the Clerk of the Commercial Court of Leuven (greffe du tribunal de commerce/griffie van de rechtbank van koophandel). The Issuer has undertaken in Condition 11(j) to use all reasonable endeavours to procure that such a resolution be passed at the next general meeting of shareholders of the Issuer after the Closing Date and to file a copy of the resolution as aforesaid immediately thereafter. If a Change of Control occurs prior to such approval and filing, this Condition 6.2(j) and Condition 6.7 will not be effective under Belgian law. There can be no assurance that such approval will be granted at such meeting.

- (k) On the Conversion Price Reset Date, the Conversion Price shall be adjusted so as to equal the greater of:
- (i) the average of the Volume Weighted Average Price of an Ordinary Share on each dealing day in the Reset Period (provided that if on any such dealing day the Ordinary Shares shall have been quoted cum-Dividend or cum-any other entitlement, the Volume Weighted Average Price of an Ordinary Share on such dealing day shall be deemed to be the amount thereof reduced by an amount equal to the Fair Market Value of any such Dividend or entitlement per Ordinary Share as at the first public announcement of such Dividend or entitlement); and
 - (ii) 80 per cent. of the arithmetic average of the Conversion Price in effect on each dealing day in the Reset Period,

provided that no adjustment will be made pursuant to this Condition 6.2(k) if such adjustment would result in an increase to the Conversion Price.

Such adjustment shall become effective on the Conversion Price Reset Date.

Conversion Price Reset Date means the first business day in Brussels following the first anniversary of the Closing Date.

Reset Period means the 20 consecutive dealing days ending on the fifth dealing day prior to the Conversion Price Reset Date.

- (l) If, following consultation with the Trustee and the Calculation Agent, the Issuer determines that, or is uncertain as to whether, an adjustment should be made to the Conversion Price as a result of one or more circumstances not referred to above in this Condition 6.2 (even if the relevant circumstance is specifically excluded from the operation of Conditions 6.2(a) to 6.2(j) above), the Issuer shall, at its own expense and acting reasonably, request an Independent Financial Adviser to determine as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof and the date on which such adjustment (if any) should take effect and upon such determination such adjustment (if any) shall be made and shall take effect in accordance with such determination, provided that an adjustment shall only be made pursuant to this Condition 6.2(l) if the adjustment would result in a reduction to the Conversion Price.

Notwithstanding the foregoing provisions:

- (a) where the events or circumstances giving rise to any adjustment pursuant to this Condition 6.2 have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Conversion Price or where more than one event which gives rise to an adjustment to the Conversion Price occurs within such a short period of time that, in the opinion of the Issuer following consultation with the Calculation Agent, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be determined in good faith by an Independent Financial Adviser to be in its opinion appropriate to give the intended result; and
- (b) such modification shall be made to the operation of these Conditions as may be determined in good faith by an Independent Financial Adviser to be in its opinion appropriate (i) to ensure that an adjustment to the Conversion Price or the economic effect thereof shall not be taken into account more than once and (ii) to ensure that the economic effect of a Dividend is not taken into account more than once; and
- (c) other than pursuant to Condition 6.2(a), no adjustment shall be made that would result in an increase to the Conversion Price.

For the purpose of any calculation of the consideration receivable or price pursuant to Conditions 6.2(d), 6.2(f), 6.2(g) and 6.2(h), the following provisions shall apply:

- (i) the aggregate consideration receivable or price for Ordinary Shares issued for cash shall be the amount of such cash;
- (ii) (A) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities and

- (B) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Effective Date as referred to in Conditions 6.2(d), 6.2(f), 6.2(g) or 6.2(h), as the case may be, plus in the case of each of (A) and (B) above, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights or subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (C) the consideration receivable or price per Ordinary Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (A) or (B) above (as the case may be) divided by the number of Ordinary Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate;
- (iii) if the consideration or price determined pursuant to (i) or (ii) above (or any component thereof) shall be expressed in a currency other than the Relevant Currency, it shall be converted into the Relevant Currency at the Prevailing Rate on the relevant Effective Date (in the case of (i) above) or the relevant date of first public announcement (in the case of (ii) above);
 - (iv) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Ordinary Shares or Securities or options, warrants or rights, or otherwise in connection therewith;
 - (v) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable regardless of whether all or part thereof is received, receivable, paid or payable by or to the Issuer or another entity; and
 - (vi) references in these conditions to "cash" shall be construed as cash consideration within the meaning of section 583(3) of the United Kingdom Companies Act 2006.

6.3 Retroactive Adjustments

If the Conversion Date in relation to the conversion of any Bond shall be after the record date in respect of any consolidation, reclassification/redesignation or sub-division as is mentioned in Condition 6.2(a) above, or after the record date or other due date for the establishment of entitlement for any such issue, distribution, grant or offer (as the case may be) as is mentioned in Conditions 6.2(b), 6.2(c), 6.2(d), 6.2(e) or 6.2(i) above, or after the date of the first public announcement of the terms of any such issue or grant as is mentioned in Conditions 6.2(f) and 6.2(g) above or of the terms of any such modification as is mentioned in Condition 6.2(h) above, but before the relevant adjustment to the Conversion Price becomes effective under Condition 6.2 above (such adjustment, a **Retroactive Adjustment**), then the Issuer shall (conditional upon the relevant adjustment becoming effective) procure that there shall be issued or transferred and delivered as indicated by the converting Bondholder in accordance with the instructions contained in the relevant Conversion Notice, such additional number of Ordinary Share (if any) (the **Additional Ordinary Shares**) as, together with the Ordinary Share issued or to be transferred and delivered on conversion of the relevant Bonds (together with any fraction of an Ordinary Shares not so issued or transferred and delivered), is equal to the number of Ordinary Shares which would have been required to be issued

or transferred and delivered on such conversion if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Conversion Date, provided that in the case of Conditions 6.2(b), 6.2(c), 6.2(d), 6.2(e) or 6.2(i) above if the relevant Bondholder shall be entitled to receive the relevant Ordinary Shares, Dividends or Securities in respect of the Ordinary Shares to be issued or transferred and delivered to it, then no such Retroactive Adjustment shall be made in relation to the relevant event and the relevant Bondholder shall not be entitled to receive Additional Ordinary Shares in relation thereto.

6.4 Decision of the Calculation Agent or an Independent Financial Adviser

Adjustments to the Conversion Price shall be determined and calculated by the Calculation Agent, and/or to the extent so specified in these Conditions, in good faith by an Independent Financial Adviser. Adjustments to the Conversion Price calculated by the Calculation Agent and/or, where applicable, an Independent Financial Adviser and any other determinations or calculations made by the Calculation Agent or an Independent Financial Adviser pursuant to the Conditions shall be final and binding (in the absence of bad faith or manifest error) on the Issuer, the Trustee, the Bondholders and the Paying and Conversion Agents.

The Calculation Agent is acting exclusively as an agent for, and upon the request of, the Issuer. Neither the Calculation Agent (acting in such capacity) nor any Independent Financial Adviser appointed in connection with the Bonds (acting in such capacity), shall have any relationship of agency or trust with, and it shall not be liable and shall incur no liability to, the Bondholders.

The Calculation Agent (following consultation with the Issuer and the Guarantor) may consult, at the expense of the Issuer (failing which, the Guarantor), on any matter (including but not limited to, any legal matter), with any legal or other professional adviser and it shall not be liable and shall incur no liability as against the Bondholders in respect of anything done, or omitted to be done, relating to that matter in good faith in accordance with that adviser's opinion.

If, following consultation between the Issuer and the Calculation Agent, any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to the appropriate adjustment to the Conversion Price, and following consultation between the Issuer and an Independent Financial Adviser, a written determination of such Independent Financial Adviser in respect thereof shall be conclusive and binding on all parties, save in the case of manifest error.

6.5 Share or Option Schemes, Dividend Reinvestment Plans

No adjustment will be made to the Conversion Price where Ordinary Shares or other Securities (including rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted to, or for the benefit of, employees or former employees (including directors holding or formerly holding executive or non-executive office or the personal service company of any such person) as well as certain current and former key persons and consultants or their spouses or relatives, in each case, of the Issuer or any of member of the Group or any associated company or to a trustee or trustees to be held for the benefit of any such person, in any such case pursuant to any share or option scheme or pursuant to any dividend reinvestment plan or similar plan or scheme.

6.6 Rounding Down and Notice of Adjustment to the Conversion Price

On any adjustment, the resultant Conversion Price, if not an integral multiple of 0.0001, shall be rounded down to the nearest whole multiple of 0.0001. No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made and/or any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the

basis that the adjustment not required to be made had been made at the relevant time and/or, as the case may be, that the relevant rounding down had not been made.

The Conversion Price shall not, in any event, be reduced to below the accounting par value of the Ordinary Shares. The Issuer undertakes that it shall not take any action, and shall procure that no action is taken, that would otherwise result in an adjustment to the Conversion Price to below such accounting par value or any minimum level permitted by applicable laws or regulations.

6.7 Change of Control

If a Change of Control shall occur, then upon any exercise of Conversion Rights where the Conversion Date falls during the Change of Control Period, the Conversion Price shall be the Change of Control Conversion Price determined in accordance with Condition 6.2(j).

Within 14 calendar days following the occurrence of a Change of Control, the Issuer shall give notice thereof to the Trustee and to the Bondholders in accordance with Condition 16 (a **Change of Control Notice**). Such notice shall contain a statement informing Bondholders of their entitlement to exercise their Conversion Rights as provided in these Conditions and their entitlement to exercise their rights to require redemption of their Bonds pursuant to Condition 7.5.

The Change of Control Notice shall also specify:

- (a) to the fullest extent permitted by applicable law, all information material to Bondholders concerning the Change of Control;
- (b) the Conversion Price immediately prior to the occurrence of the Change of Control and the indicative Change of Control Conversion Price based on such Conversion Price (but, for the avoidance of doubt, the actual Change of Control Conversion Price applicable to a particular exercise of Conversion Rights will be the Conversion Price as at the relevant Conversion Date as adjusted in accordance with Condition 6.2(j));
- (c) the closing price of the Ordinary Shares as derived from the Relevant Stock Exchange as at the latest practicable date prior to the publication of the Change of Control Notice;
- (d) the last day of the Change of Control Period;
- (e) the Change of Control Put Date; and
- (f) such other information relating to the Change of Control as the Trustee may require.

The Trustee shall not be required to monitor or take any steps to monitor or ascertain whether a Change of Control or any event which could lead to a Change of Control has occurred or may occur and will not be responsible or liable to Bondholders or any other person for any loss arising from any failure by it to do so.

Bondholders should note that this Condition 6.7 and Condition 6.2(j) will only be effective under Belgian law if, prior to the occurrence of the Change of Control, (i) the terms of this Condition 6.7 and Condition 6.2(j) have been approved by the shareholders of the Issuer in a general meeting and (ii) such resolution has been filed with the Clerk of the Commercial Court of Leuven (greffe du tribunal de commerce/griffie van de rechtbank van koophandel). The Issuer has undertaken in Condition 11(j) to use all reasonable endeavours to procure that such a resolution be passed at the next general meeting of shareholders of the Issuer after the Closing Date and to file a copy of the resolution as aforesaid immediately thereafter. If a Change of Control occurs prior to such approval and filing, this Condition 6.7 and Condition 6.2(j) will not be effective under Belgian law. There can be no assurance that such approval will be granted at such meeting.

6.8 Procedure for exercise of Conversion Rights

Conversion Rights may be exercised by a Bondholder during the Conversion Period by delivering the relevant Bond to the specified office of any Paying and Conversion Agent, during its usual business hours, accompanied by a duly completed and signed notice of conversion (a **Conversion Notice**) in the form (for the time being current) obtainable from any Paying and Conversion Agent. Conversion Rights shall be exercised subject in each case to any applicable fiscal or other laws or regulations applicable in the jurisdiction in which the specified office of the Paying and Conversion Agent to whom the relevant Conversion Notice is delivered is located.

If the delivery of the relevant Bond and Conversion Notice as described in the foregoing paragraph is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the relevant Paying and Conversion Agent, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day.

Conversion Rights may only be exercised in respect of an Authorised Denomination.

Any determination as to whether any Conversion Notice has been duly completed and properly delivered shall be made by the relevant Paying and Conversion Agent and shall, save in the case of manifest error, be conclusive and binding on the Issuer, the Trustee and the Paying and Conversion Agents and the relevant Bondholder. A Conversion Notice, once delivered, shall be irrevocable.

The conversion date in respect of a Bond (the **Conversion Date**) shall be the business day in Brussels immediately following (a) the date of the delivery of the relevant Bond and the Conversion Notice as provided in this Condition 6.8 and (b) the date on which payment of any other amount payable by the relevant Bondholder pursuant to the following paragraph of this Condition 6.8 is made.

A Bondholder exercising Conversion Rights must pay directly to the relevant authorities any taxes and capital, stamp, issue, registration and transfer taxes and duties arising on conversion (other than any capital, stamp, issue, registration and transfer taxes and duties payable in Belgium and/or Spain and/or in any other jurisdiction in which the Issuer or the Guarantor may be domiciled or resident or to whose taxing jurisdiction it may be generally subject, in respect of the allotment, issue or transfer and delivery of any Ordinary Shares in respect of such exercise (including any Additional Ordinary Shares), which shall be paid by the Issuer or the Guarantor). Such Bondholder must also pay all, if any, taxes arising by reference to any disposal or deemed disposal of a Bond or interest therein in connection with such conversion. If the Issuer or the Guarantor shall fail to pay any capital, stamp, issue, registration and transfer taxes and duties payable for which it is responsible as provided above, the relevant holder shall be entitled to tender and pay the same and the Issuer and the Guarantor as a separate and independent stipulation, covenant to reimburse and indemnify each Bondholder in respect of any payment thereof and any penalties payable in respect thereof.

The Trustee shall not be responsible for determining whether such taxes or capital, stamp, issue, registration and transfer taxes and duties are payable or the amount thereof and it shall not be responsible or liable for any failure by the Issuer or the Guarantor or any Bondholder to pay such taxes or capital, stamp, issue, registration and transfer taxes and duties.

Ordinary Shares to be issued or delivered on the exercise of Conversion Rights will be issued in dematerialised book-entry form and credited to such account as indicated by the relevant Bondholder(s) held at Euroclear Belgium as is specified in the relevant Conversion Notice.

The Issuer will take all necessary steps to procure that the Ordinary Shares to be issued or delivered on exercise of Conversion Rights are issued and/or delivered, as directed in the relevant Conversion Notice, by not later than the seventh business day in Belgium following the relevant Conversion

Date (or, in the case of Additional Ordinary Shares, not later than the seventh business day in Belgium following the relevant Reference Date).

Notwithstanding any other provisions of these Conditions, a Bondholder exercising its Conversion Right following a Change of Control Conversion Right Amendment as described in Condition 11(b)(vii) will be deemed, for the purposes of these Conditions, to have received the Ordinary Shares arising on conversion of its Bonds in the manner provided in these Conditions, and have exchanged such Ordinary Shares for the consideration that it would have received therefor if it had exercised its Conversion Right in respect of such Ordinary Shares at the time of the occurrence of the relevant Change of Control.

Following the conversion of a Bond and the delivery of the relevant Ordinary Shares in respect thereof, such Bond will be cancelled.

6.9 Ordinary Shares

- (a) Ordinary Shares (including any Additional Ordinary Shares) issued or transferred and delivered upon exercise of Conversion Rights will be fully paid and will in all respects rank *pari passu* with the fully paid Ordinary Shares in issue on the relevant Conversion Date or, in the case of Additional Ordinary Shares, on the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law and except that such Ordinary Shares or, as the case may be, Additional Ordinary Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Conversion Date or, as the case may be, the relevant Reference Date.
- (b) Save as provided in Condition 6.10, no payment or adjustment shall be made on exercise of Conversion Rights for any interest which otherwise would have accrued on the relevant Bonds since the last Interest Payment Date preceding the Conversion Date relating to such Bonds (or, if such Conversion Date falls before the first Interest Payment Date, since the Closing Date).

6.10 Interest on Conversion

If any notice requiring the redemption of the Bonds is given pursuant to Condition 7.2 on or after the fifteenth Brussels business day prior to a record date in respect of any Dividend or distribution payable in respect of the Ordinary Shares which has occurred since the last Interest Payment Date (or in the case of the first Interest Period, since the Closing Date) where such notice specifies a date for redemption falling on or prior to the date which is 14 days after the Interest Payment Date next following such record date, interest shall accrue at the rate provided in Condition 5.1 on Bonds in respect of which Conversion Rights shall have been exercised and in respect of which the Conversion Date falls after such record date and on or prior to the Interest Payment Date next following such record date in respect of such Dividend or distribution, in each case from and including the preceding Interest Payment Date (or, if such Conversion Date falls before the first Interest Payment Date, from the Closing Date) to but excluding such Conversion Date. The Issuer shall pay any such interest by not later than 14 days after the relevant Conversion Date by transfer to a euro account maintained with a bank in a city with access to the TARGET System in accordance with instructions given by the relevant Bondholder in the relevant Conversion Notice.

6.11 Purchase or Redemption of Ordinary Shares

The Issuer or any member of the Group may exercise such rights as it may from time to time enjoy to purchase or redeem or buy back any shares of the Issuer (including Ordinary Shares) or any depositary or other receipts or certificates representing the same without the consent of the Trustee or the Bondholders.

6.12 No Duty to Monitor

The Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists or may happen or exist which requires or may require an adjustment to be made to the Conversion Price or as to the amount of any adjustment actually made and will not be responsible or liable to the Bondholders or any other person for any loss arising from any failure by it to do so, nor shall the Trustee be responsible or liable to any person for any determination of whether or not an adjustment to the Conversion Price is required or should be made nor as to the determination or calculation of any such adjustment. Neither the Trustee nor the Paying and Conversion Agents shall be under any duty to monitor whether any event or circumstance has occurred or exists or may occur or exist which would entitle the Bondholders to exercise their Conversion Rights.

The Calculation Agent shall not be under any duty to monitor whether any event or circumstance has happened or exists or may happen or exist which requires or may require an adjustment to be made to the Conversion Price and will not be responsible or liable to the Bondholders for any loss arising from any failure by it to do so.

6.13 Consolidation, Amalgamation or Merger

Without prejudice to Condition 6.2(j), in the case of (a) any consolidation, amalgamation or merger of the Issuer with any other corporation (other than a consolidation, amalgamation or merger in which the Issuer is the continuing corporation) (a **Successor in Business**), or (b) any sale or transfer of all, or substantially all, of the assets of the Issuer to another entity (whether by operation of law or otherwise) (also a **Successor in Business**), the Issuer will forthwith give notice thereof to the Trustee and to the Bondholders in accordance with Condition 16 of such event and will take such steps as shall be required:

- (a) to effect the substitution of such Successor in Business as principal debtor under the Bonds and the Trust Deed in place of the Issuer (or any previous substitute under Condition 13.3) in accordance with Condition 13.3 and the Trust Deed; and
- (b) (including the execution of a deed supplemental to or amending the Trust Deed) to ensure (i) that each Bond then outstanding will (during the period in which Conversion Rights may be exercised) be convertible into the class and amount of shares and other securities and property of the Successor in Business receivable upon such consolidation, amalgamation, merger, sale or transfer by a holder of the number of Ordinary Shares which would have become liable to be issued or transferred and delivered upon exercise of Conversion Rights immediately prior to such consolidation, amalgamation, merger, sale or transfer, or (ii) if, in the case of any such sale or transfer, no such shares or other securities and property are receivable by a holder of Ordinary Shares, that each Bond then outstanding will (during the period in which Conversion Rights may be exercised) be convertible into shares and other securities and property of the Successor in Business on such basis and with a Conversion Price (subject to adjustment as provided in these Conditions) as determined in good faith by an Independent Financial Adviser (each a **Conversion Right Transfer**).

The satisfaction of the requirements set out in subparagraphs (a) and (b) of this Condition 6.13 by the Issuer (or any previous substitute under Condition 13.3) is herein referred to as a **Permitted Cessation of Business**.

The above provisions of this Condition 6.13 will apply, *mutatis mutandis* to any subsequent consolidations, amalgamations, mergers, sales or transfers.

At the request of the Issuer but subject to the Issuer's compliance with the provisions of subparagraph (a) and (b) of this Condition 6.13, the Trustee shall (at the expense of the Issuer), without the requirement for any consent or approval of the Bondholders, be obliged to concur with

the Issuer in effecting any Conversion Right Transfer (including, *inter alia*, the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to further liabilities or reduce its protections, rights and benefits.

6.14 Notice of Conversion Price

Notice of any adjustments to the Conversion Price shall be given by the Issuer to Bondholders in accordance with Condition 16 and the Trustee promptly after the determination thereof.

7. REDEMPTION AND PURCHASE

7.1 Final Redemption

Unless previously purchased and cancelled, redeemed or converted as herein provided, the Bonds will be redeemed at their principal amount on the Final Maturity Date. The Bonds may only be redeemed at the option of the Issuer prior to the Final Maturity Date in accordance with Condition 7.2 or 7.3.

7.2 Redemption at the Option of the Issuer

On giving not less than 30 nor more than 60 days' notice (an **Optional Redemption Notice**) to the Trustee and to the Bondholders in accordance with Condition 16, the Issuer may redeem all but not some only of the Bonds on the date (the **Optional Redemption Date**) specified in the Optional Redemption Notice at their principal amount, together with accrued but unpaid interest to such date:

- (a) at any time on or after 27 March 2017, if on each of at least 20 dealing days in any period of 30 consecutive dealing days ending not earlier than seven dealing days prior to the giving of the relevant Optional Redemption Notice, the Volume Weighted Average Price of an Ordinary Share shall exceed 130% of the Conversion Price in effect (or deemed to be in effect and, for the avoidance of doubt, the Conversion Price deemed to be in effect on any dealing day which falls during a Change of Control Period shall be the Change of Control Conversion Price determined in accordance with Condition 6.2(j) which would apply on such dealing day if such dealing day were a Conversion Date in respect of the exercise of Conversion Rights) on each such dealing day (as verified by the Calculation Agent if so requested by the Issuer in its sole discretion); or
- (b) at any time if, prior to the date the relevant Optional Redemption Notice is given, Conversion Rights shall have been exercised and/or purchases (and corresponding cancellations) and/or redemptions effected in respect of 85% or more in principal amount of the Bonds originally issued (which shall for this purpose include any Further Bonds).

For the purposes of Condition 7.2(a), if on any dealing day in such 30 dealing day period the Volume Weighted Average Price on such dealing day shall have been quoted cum-Dividend (or cum-any other entitlement), the Volume Weighted Average Price of an Ordinary Share on such dealing day shall be deemed to be the amount thereof reduced by an amount equal to the Fair Market Value of any such Dividend or entitlement per Ordinary Share as at the date (or, if that is not a dealing date, the immediately preceding dealing day) of first public announcement of such Dividend (or entitlement), determined on a gross basis and disregarding any withholding or deduction required to be made for or on account of tax, and disregarding any associated tax credit.

7.3 Redemption for Taxation Reasons

At any time the Issuer may, having given not less than 30 nor more than 60 days' notice (a **Tax Redemption Notice**) to the Bondholders redeem (subject to the provisions of this Condition 7.3) all

but not some only of the Bonds for the time being outstanding on the date (the **Tax Redemption Date**) specified in the Tax Redemption Notice at their principal amount, together with accrued but unpaid interest to such date, if:

- (a) the Issuer satisfies the Trustee immediately prior to the giving of such notice that the Issuer or (in circumstances where the Guarantor is required to make payment under the Guarantee) the Guarantor has or will become obliged to pay additional amounts pursuant to Condition 9 as a result of any change in, or amendment to, the laws or regulations of Belgium or Spain or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after ●¹ 2015; and
- (b) such obligation cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or, as the case may be, the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Bonds then due.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Trustee (i) a certificate signed by two directors of the Issuer stating that the obligation referred to in (a) above cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it and (ii) an opinion of independent legal or tax advisers of recognised standing to the effect that such change or amendment has occurred and that the Issuer or, as the case may be, the Guarantor has or will be obliged to pay such additional amounts as a result thereof (irrespective of whether such amendment or change is then effective) and the Trustee shall be entitled to accept without any liability for so doing such certificate and opinion as sufficient evidence of the matters set out in (a) and (b) above in which event it shall be conclusive and binding on the Bondholders.

On the Tax Redemption Date the Issuer shall (subject to provisions of this Condition 7.3) redeem the Bonds at their principal amount, together with accrued interest to such date.

Notwithstanding the foregoing provisions of this Condition 7.3, if the Issuer gives a Tax Redemption Notice, each Bondholder will have the right to elect that his Bonds shall not be redeemed and that the provisions of Condition 9 shall not apply in respect of any payment of interest to be made on such Bonds which falls due after the relevant Tax Redemption Date, whereupon no additional amounts shall be payable in respect thereof pursuant to Condition 9 and payment of all amounts of such interest on such Bonds shall be made subject to the deduction or withholding of any Belgium and/or Spain taxation required to be withheld or deducted from time to time. To exercise such right, the holder of the relevant Bond must complete, sign and deposit at the specified office of any Paying and Conversion Agent a duly completed and signed notice of election, in the form for the time being current, obtainable from the specified office of any Paying and Conversion Agent on or before the day falling ten days prior to the Tax Redemption Date.

References in this Condition 7.3 to Belgium and Spain shall be deemed also to refer to any jurisdiction in respect of which any undertaking or covenant equivalent to that in Condition 9 is given pursuant to the Trust Deed, (except that as regards such jurisdiction the words "becomes effective on or after ● 2015" at paragraph 7.3(a) above shall be replaced with the words "becomes effective after, and has not been announced on or before, the date on which any undertaking or covenant equivalent to that in Condition 9 was given pursuant to the Trust Deed)" and references in

¹ Pricing Date for the Bonds.

this Condition 7.3 to additional amounts payable under Condition 9 shall be deemed also to refer to additional amounts payable under any such undertaking or covenant.

7.4 Optional Redemption and Tax Redemption Notices

The Issuer shall not give an Optional Redemption Notice or a Tax Redemption Notice at any time during a Change of Control Period or an Offer Period, and any such notice purported to be given by the Issuer during such period shall be invalid and of no effect and the relevant redemption shall not be made. In addition, if the Issuer has, prior to the commencement of a Change of Control Period or an Offer Period, given an Optional Redemption Notice or a Tax Redemption Notice which specifies a date for redemption which falls in a Change of Control Period or an Offer Period, such notice shall be deemed to be immediately rescinded upon commencement of the relevant Change of Control Period or Offer Period (as the case may be) and shall have no effect and the relevant redemption shall not be made. Any Optional Redemption Notice or Tax Redemption Notice shall be irrevocable. Any such notice shall specify (a) the Optional Redemption Date or, as the case may be, the Tax Redemption Date, which shall be a business day in Brussels (b) the Conversion Price, the aggregate principal amount of the Bonds outstanding and the closing price of the Ordinary Shares as derived from the Relevant Stock Exchange, in each case as at the latest practicable date prior to the publication of the Optional Redemption Notice or, as the case may be, the Tax Redemption Notice, (c) the last day on which Conversion Rights may be exercised by Bondholders, and (d) the amount of accrued interest payable in respect of each Bond on the Optional Redemption Date or Tax Redemption Date, as the case may be.

For the purposes of this Condition 7.4:

Offer means an offer to Shareholders to acquire all or a majority of the outstanding Ordinary Shares, whether expressed as a legal offer, an invitation to treat or in any other way, in circumstances where such offer is available to all Shareholders (or all or substantially all Shareholders other than (i) any holder to whom such offer may not be extended pursuant to applicable securities or other laws, (ii) the offeror or any associate of the offeror or any person connected with, or deemed to be acting together with, the offeror or (iii) to whom, by reason of the laws of any territory or requirements of any recognised regulatory body or any stock exchange in any territory, it is determined not to make such an offer); and

Offer Period means the period commencing on the date that any person announces an intention to make an Offer pursuant to Article 5 of the Belgian Takeover Decree of 27 April 2007 and ending on the earlier of (i) the date such Offer is withdrawn, terminates or lapses, (ii) the date such Offer results in a Change of Control and (iii) (if an Offer is not made within 45 days following such announcement) the date falling 45 days after such announcement (both dates inclusive).

7.5 Redemption at the Option of Bondholders upon a Change of Control

Following the occurrence of a Change of Control, the holder of each Bond will have the right to require the Issuer to redeem that Bond on the Change of Control Put Date at its principal amount, together with accrued and unpaid interest to such date. To exercise such right, the holder of the relevant Bond must deliver such Bond to the specified office of any Paying and Conversion Agent, together with a duly completed and signed notice of exercise in the form for the time being current obtainable from the specified office of any Paying and Conversion Agent (a **Change of Control Put Exercise Notice**), at any time during the Change of Control Period. The **Change of Control Put Date** shall be the tenth Brussels business day after the expiry of the Change of Control Period.

Payment in respect of any such Bond shall be made by euro cheque drawn on, or transfer to, a euro account maintained with, a bank in a city in which banks have access to the TARGET System in accordance with instructions given by the relevant Bondholder in the Change of Control Put

Exercise Notice as specified by the relevant Bondholder in the relevant Change of Control Put Exercise Notice.

A Change of Control Put Exercise Notice, once delivered, shall be irrevocable and the Issuer shall redeem all Bonds the subject of Change of Control Put Exercise Notices delivered as aforesaid on the Change of Control Put Date.

Bondholders should note that Belgian law in effect on the Closing Date requires that, when a person makes a public takeover bid on the shares of a Belgian listed company, such a person must extend the offer to holders of convertible bonds.

Bondholders should note that the exercise by any of them of the option set out in this Condition 7.5 will only be effective under Belgian law if, prior to the occurrence of the Change of Control, (i) the terms of this Condition 7.5 have been approved by the shareholders of the Issuer in a general meeting and (ii) such resolution has been filed with the Clerk of the Commercial Court of Leuven (greffe du tribunal de commerce/griffie van de rechtbank van koophandel). The Issuer has undertaken in Condition 11(j) to use all reasonable endeavours to procure that such a resolution be passed at the next general meeting of shareholders of the Issuer after the Closing Date and to file a copy of the resolution as aforesaid immediately thereafter. If a Change of Control occurs prior to such approval and filing, any exercise of the option set out in this Condition 7.5 will not be effective under Belgian law. There can be no assurance that such approval will be granted at such meeting.

7.6 Purchase

Subject to the requirements (if any) of any stock exchange on which the Bonds may be admitted to listing and trading at the relevant time and subject to compliance with applicable laws and regulations, the Issuer, the Guarantor or any member of the Group may at any time purchase any Bonds in the open market or otherwise at any price. Such Bonds may be held, re-sold or reissued or, at the option of the relevant purchaser, surrendered to any Paying and Conversion Agent for cancellation.

The Bonds so purchased, while held by or on behalf of the Issuer, the Guarantor or any member of the Group, shall not entitle the holder to, *inter alia*, vote at any meetings of the Bondholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of Bondholders for the purpose of Condition 13.1.

7.7 Cancellation

All Bonds which are redeemed or in respect of which Conversion Rights are exercised will be cancelled and may not be reissued or resold. Bonds purchased by the Issuer, the Guarantor or any member of the Group may be surrendered to the Principal Paying and Conversion Agent for cancellation and, if so surrendered, shall be cancelled and may not be reissued or resold.

Upon any purchase, reissue or resale of Bonds by the Issuer, the Guarantor or any member of the Group, the Issuer shall promptly give notice to Bondholders in accordance with Condition 16 specifying the aggregate nominal amount of Bonds so purchased, reissued or resold and the aggregate nominal amount of Bonds held by the Issuer, the Guarantor or any other member of the Group immediately following such purchase, reissue or resale.

7.8 Multiple Notices

If more than one notice of redemption is given pursuant to this Condition 7, the first of such notices to be given shall prevail.

8. PAYMENTS

8.1 Payment

Without prejudice to Article 474 of the Belgian Code of Companies, payment of principal and interest payable on a redemption of the Bonds and payment of any interest due on an Interest Payment Date in respect of the Bonds will be made through the Principal Paying and Conversion Agent and the NBB System in accordance with the NBB System Regulations. The payment obligations of the Issuer under the Bonds will be discharged by payment to the NBB in respect of each amount so paid, and Bondholders must thereupon look to the NBB System and the participant(s) therein through whom they hold their Bonds for their share of such payment. The records of the NBB System and its participants shall be *prima facie* evidence of the relevant payments made.

Payment of all other amounts will be made as provided in these Conditions.

8.2 Method of Payment

Each payment referred to in Condition 8.1 will be made not later than the due date for payment in euro by transfer to a euro account maintained by the payee with a bank in a city in which banks have access to the TARGET System.

Payment instructions (for value on the due date or, if that is not a business day in Brussels, for value the first following day which is a business day in Brussels) will be initiated on the business day in Brussels preceding the due date for payment.

8.3 Payments subject to fiscal laws

All payments in respect of the Bonds (including under the Guarantee) are subject in all cases to any applicable fiscal or other laws and regulations applicable thereto in the place of payment. No commissions or expenses shall be charged to the Bondholders in respect of such payments.

8.4 Delay in payment

provided that, without prejudice to the other provisions of these Conditions, the Issuer may exercise such rights as it may from time to time be entitled pursuant to applicable law to purchase, redeem or buy back its Ordinary Shares and any depositary or other receipts or certificates representing Ordinary Shares without the consent of Bondholders;

- (g) use all reasonable endeavours to ensure that the Ordinary Shares issued upon exercise of Conversion Rights will, as soon as is practicable, be admitted to listing and to trading on the Relevant Stock Exchange and will be listed, quoted or dealt in, as soon as is practicable, on any other stock exchange or securities market on which the Ordinary Shares may then be listed or quoted or dealt in (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the Board of Directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Ordinary Shares);
- (h) for so long as any Bond remains outstanding, use all reasonable endeavours to ensure that its issued and outstanding Ordinary Shares shall be admitted to listing on the Relevant Stock Exchange (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the Board of Directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Ordinary Shares);

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) and the exercise or performance of any right, power, trust, authority, duty or discretion under or in relation to these Conditions (including, without limitation, in relation to any modification, waiver, authorisation, determination or substitution as referred to above), the Issuer, the Guarantor, the Paying and Conversion Agents and the Trustee shall:

- (a) (subject to Condition 8.1 as regards discharge of payment obligations) deem and treat each person shown in the records of (i) the NBB System or (ii) Euroclear, Clearstream, Luxembourg or any other clearing system that is a direct participant in the NBB System, as the holder of a particular principal amount of the Bonds as a Bondholder; and
- (b) have regard to the interests of the Bondholders as a class but shall not have regard to any interests arising from circumstances particular to individual Bondholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of the exercise or performance of its trusts, powers or discretions for individual Bondholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political subdivision thereof, and the Trustee shall not be entitled to require, nor shall any Bondholder be entitled to claim, from the Issuer, the Guarantor, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Bondholders.

13.5 Meetings of Shareholders

Bondholders shall be entitled to attend all meetings of shareholders of the Issuer in accordance with Article 537 of the Belgian Company Code and to receive any documents that are to be distributed to

them in accordance with Articles 535 and 553 of the Belgian Company Code. Bondholders who attend any meetings of shareholders of the Issuer shall be entitled only to a consultative vote in accordance with Belgian law.

14. ENFORCEMENT

The Trustee may at any time, at its discretion and without notice, take such proceedings against the Issuer and/or the Guarantor as it may think fit to enforce the provisions of the Trust Deed and the Bonds, but it shall not be bound to take any such proceedings or any other action in relation to the Trust Deed or the Bonds unless (a) it shall have been so directed by an Extraordinary Resolution of the Bondholders or so requested in writing by the holders of at least one-quarter in principal amount of the Bonds then outstanding, and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Bondholder shall be entitled to proceed directly against the Issuer or the Guarantor unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing.

15. THE TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including relieving it from taking proceedings unless indemnified and/or secured and/or prefunded to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer and the Guarantor and any entity related to the Issuer or the Guarantor without accounting for any profit and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Guarantor and/or any Group Company, to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Bondholders and to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith. The Trustee may rely, without liability to Bondholders, on a report, confirmation or certificate or any advice of the Issuer, the Guarantor, any accountants, financial advisers or financial institution, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise and, if so relied upon, such report, confirmation or certificate or advice shall be binding on the Issuer, the Guarantor, the Trustee and the Bondholders in the absence of manifest error.

16. NOTICES

All notices regarding the Bonds will be valid if published:

- (a) through the electronic communication system of Bloomberg;
- (b) (so long as the Bonds are listed on the Open Market (*Freiverkehr*) segment of the Frankfurt Stock Exchange or another market or exchange) in such manner (if any) as may be required by the rules of such market or exchange; and
- (c) (in respect of a notice convening a Bondholder meeting) in accordance with Article 570 of the Belgian Company Code (as further described in Condition 13.1).

Any such notice shall be deemed to have been given on the date of such publication or, if required to be published in more than one newspaper or in more than one manner, on the date of the first such publication in all the required newspapers or in each required manner.

For so long as the Bonds are held by or on behalf of the NBB System, notices to Bondholders may also be delivered to the NBB System for onward communication to Bondholders via participants in the NBB System in substitution for publication as provided under (a) above (but, for the avoidance

of doubt, without prejudice to any required publication in accordance with (b) or (c)). Any such notice shall be deemed to have been given to Bondholders on the calendar day after the date on which the said notice was given to the NBB System.

If publication as provided above is not practicable, notice will be given in such other manner, and shall be deemed to have been given on such date, as the Trustee may approve.

17. FURTHER ISSUES

The Issuer may from time to time without the consent of the Bondholders create and issue further securities either having the same terms and conditions in all respects as the Bonds (or in all respects except for the first date on which conversion rights may be exercised) and so that such further issue shall be consolidated and form a single series with the Bonds (referred to herein as the **Further Bonds**) or upon such terms as the Issuer may determine at the time of their issue. Any Further Bonds shall be constituted by a deed supplemental to the Trust Deed.

18. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

19. GOVERNING LAW AND JURISDICTION

19.1 Governing law

The Trust Deed, the Agency Agreement, the Calculation Agency Agreement and the Bonds and any non-contractual obligations arising out of or in connection therewith are governed by, and shall be construed in accordance with, English law, save that Condition 13.1 and any matter relating to the dematerialised form of the Bonds and the issue of Ordinary Shares and Additional Ordinary Shares following conversion (and any non-contractual obligations arising out of or in connection therewith) shall be governed by, and construed in accordance with, Belgian law.

19.2 Jurisdiction

The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed or the Bonds (including any dispute relating to any non-contractual obligations arising out of or in connection with therewith) and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or the Bonds (including any dispute relating to any non-contractual obligations arising out of or in connection therewith) (**Proceedings**) may be brought in such courts. Each of the Issuer and the Guarantor has in the Trust Deed irrevocably submitted to the jurisdiction of such courts and has waived any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of the Trustee and each of the Bondholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

19.3 Agent for Service of Process

Each of the Issuer and the Guarantor has irrevocably appointed Law Debenture Corporate Services Limited at its registered office for the time being, currently at 100 Wood Street, London EC2V 7EX, as its agent in England to receive service of process in any Proceedings in England. Nothing herein or in the Trust Deed shall affect the right to serve process in any other manner permitted by law.
