**CONVENING NOTICE TO THE EXTRAORDINARY SHAREHOLDERS’
MEETING
TO BE HELD ON 20 MARCH 2013**

The board of directors of TiGenix NV is pleased to invite you to the extraordinary shareholders’ meeting of TiGenix NV that will be held at the registered office of TiGenix NV (Romeinse straat 12 box 2, 3001 Leuven) on 20 March 2013 at 11:00 a.m., in the presence of a notary, with the agenda and proposed resolutions set out below.

This meeting will validly deliberate on the items on the agenda irrespective of the number of shares present or represented. A first extraordinary shareholders’ meeting, held on 26 February 2013 at 11.00 a.m. could not validly deliberate on these agenda items because the legally required attendance quorum was not reached. Said meeting of 26 February 2013 could validly deliberate on five other items that were on the agenda of the 26 February 2013 meeting and for which no minimum attendance quorum was required. These five agenda items are not repeated below, as they have already been validly deliberated and decided on.

Agenda and proposed resolutions

1. Acknowledgement of the special report of the board of directors pursuant to Article 583 of the Companies Code with respect to the issue of 777,000 warrants including the proposed terms and conditions of issue of the warrants
2. Acknowledgement of the special report of the board of directors pursuant to Articles 596 and 598 of the Companies Code with respect to the issue of warrants with cancellation of the preferential subscription right. The following persons, who currently are a consultant or an independent or an executive director of the company, may in principle, in accordance with the report, qualify as beneficiaries of the new warrants in their capacity as consultant or independent or executive director of the company: Innosté SA (represented by Jean Stéphane), Greig Biotechnology Global Consulting, Inc. (represented by Russell G. Greig), Willy Duron, Eduard Enrico Holdener, R&S Consulting BVBA (represented by Dirk Reyn) and Gil Beyen BVBA (represented by Gil Beyen).
3. Acknowledgement of the special report of the auditor pursuant to Articles 596 and 598 of the Companies Code with respect to the issue of warrants with cancellation of the preferential subscription right

4. Issue of 777,000 warrants intended for the personnel of the company or its subsidiaries, its independent directors, its executive directors and other key persons, with cancellation of the preferential subscription right, determination of the terms and conditions of issue of the warrants as set out in the special report of the board of directors referred to under item 1 of the agenda and conditional increase of the registered capital of the company

Proposed resolution: The shareholders' meeting resolves:

- (i) to cancel the preferential subscription right of the existing shareholders and to issue 777,000 warrants that can be granted by the shareholders' meeting to independent directors and by the board of directors to current and future employees of the company or its subsidiaries, executive directors and other key persons;*
 - (ii) to approve the terms and conditions of issue of these warrants as set out in the warrant plan attached to the special report of the board of directors pursuant to Article 583 of the Companies Code with respect to the issue of these warrants;*
 - (iii) to increase the registered capital of the company, subject to and to the extent of the grant and exercise of the warrants, with a maximum amount that is equal to the par value of the existing shares (i.e., EUR 0.10) multiplied by the number of newly issued warrants. The capital increase shall be effected through a contribution in cash and by issue of new common shares (without VVPR strip) with the same rights as the existing shares. The portion of the exercise price of the warrants exceeding the par value of the existing shares (i.e., EUR 0.10) shall be recorded on a separate account unavailable for distribution called "Issuance premiums" which will serve as a guarantee for third parties to the same extent as the registered capital and which, save for the possibility of conversion into capital, can only be disposed of in accordance with the conditions for a capital decrease set forth in Article 612 of the Companies Code.*
5. Power of attorney for the implementation of the decisions taken in accordance with the previous items on the agenda

Proposed resolution: The shareholders' meeting resolves to grant to each director of the company, acting individually, the power to implement the decisions taken in accordance with the previous items on the agenda, and more in particular, among others, (i) to implement the grant of warrants to the independent directors approved by the shareholders' meeting, (ii) to acknowledge by authentic deed, in one or more times, the exercise of the warrants, the increase of the registered capital resulting therefrom, the number of new shares representing such capital increase, the issuance premium (if any) and the recording of such issuance premium on an account unavailable for distribution, and to take all other actions that are necessary or useful in relation thereto, (iii) the modification of the articles of association resulting therefrom and (iv) the coordination of the articles of association.
