6. Appointment of the statutory auditor and remuneration

Explanatory note: According to Article 132/1, paragraph 2 of the Companies Code, the mandate of a statutory auditor cannot be renewed if it has reached the maximum term of 9 years. As the mandate of BDO Bedrijfsrevisoren – BDO Réviseurs d'Entreprises CVBA/SCRL has reached the maximum term, the Company will in principle need to appoint another auditor, except if the Company organises a public tendering process. Following the outcome of the public tendering process, and in accordance with the recommendation and preference of the audit committee which was followed by the board of directors, the board of directors proposed to the shareholders' meeting to appoint PwC Bedrijfsrevisoren BCVBA as statutory auditor of the Company for a term of 3 years.

Proposed resolution: The shareholders' meeting resolves to appoint PwC Bedrijfsrevisoren BCVBA, with registered office at Woluwedal 18, 1932 Sint-Stevens-Woluwe, Belgium, as statutory auditor. PwC Bedrijfsrevisoren BCVBA designated Marc Daelman as its permanent representative. The shareholders' meeting resolves that the term of office of the statutory auditor will expire immediately after the annual shareholders' meeting which will be asked to approve the annual accounts for the financial year ending 31 December 2019.

The shareholders' meeting further resolves that the statutory auditor's remuneration will amount to EUR 206,880 per year (excluding expenses and VAT), throughout its term of office.

7. Remuneration policy of the Company: continuation of the policy whereby warrants can be granted to the members of the executive management and, to the extent necessary and applicable, approval of early exercise possibilities of the warrants in accordance with articles 520ter and 556 of the Companies Code

7.1. Proposed resolution: The shareholders' meeting approves the continuation of the possibility to, as part of the remuneration policy of the Company, grant warrants to the members of the executive management, including executive directors, provided that the board of directors will apply the conflict of interests procedure, if applicable, at the time of granting the warrants.

To the extent warrants would be granted to members of the executive management, including executive directors, that will happen in the framework of new, still to be approved warrants plans, the most important terms and conditions of which can be summarized as follows: The warrants are granted free of charge. Each warrant entitles its holder to subscribe to one share in the Company at a fixed exercise price determined by the board of directors. Unless the board of directors prior to or at the time of the grant of the warrant determines a higher exercise price, the exercise price of a warrant will be equal to the lowest of the following prices: (i) the last closing price of the TiGenix share on the stock exchange prior to the date on which the warrant is offered, and (ii) the average closing price of the TiGenix share on the stock exchange over the 30 day period preceding the date on which the warrant is offered, it being understood that, for beneficiaries of the warrants plan that are not employees of the Company or its subsidiaries, the exercise price cannot be lower than the average closing price of the TiGenix share on the stock exchange over the 30 day period preceding the date of issuance of the warrants. The warrants have a duration of no longer than ten (10) years as from the date of their issuance. Unless the board of directors decides otherwise when granting the warrants, and subject to the end of the cooperation and certain situations in which warrants can become null and void, 1/3rd of the warrants granted vests on the first anniversary of the date of the grant and 1/24th of the

remaining 2/3rd of the warrants granted vests on the last day of each of the 24 months following the month of the first anniversary of the date of the grant. Warrants can only be exercised by the warrant holder if they have definitively vested.

7.2. Proposed resolution: In general, and to the extent necessary and applicable, the shareholders' meeting expressly approves in accordance with articles 520ter and 556 of the Companies Code the possibility of the board of directors of the Company to allow for the early exercise of the warrants that are currently outstanding, even before the third anniversary of their award, in the event of a change in control of the Company as set out in article 6.3 of the relevant warrant plans.

8. Sending of information to shareholders by electronic means

Explanatory note: The Company intends to simplify and modernise the process of sending information to holders of registered securities. The possibility for sending legally required information to the shareholders by electronic means requires the prior authorisation by the shareholders' meeting. The notion "by electronic means" is defined as "by electronic means of processing (including digital compression), storage and transmission of data by cable, radio waves, fibre optic technology or any other electromagnetic means". The Company will invite holders of registered shares by post to give their consent to the use of electronic means for sending information instead of sending a paper copy by post. If they do not object within a reasonable deadline (or in the absence of a response from them), they will be deemed to consent. Holders of registered shares will always have the right to ask that information is sent to them again by post.

Proposed resolution: The shareholders' meeting authorises the Company to send legally required information intended for the holders of shares issued by the Company or for any other persons entitled to exercise voting rights by electronic means in accordance with Article 9 of the Royal Decree of 14 November 2007 on the obligations of issuers of financial instruments admitted to trading on a regulated market.

In that event, the proxy holder shall notify the shareholder of any such deviation as well as the justification thereof. The proxy should also indicate whether, in case new items are added to the agenda by shareholders, the proxy holder is entitled to vote on the new items or whether he/she/it should abstain.

Right to ask questions

In accordance with Article 540 of the Companies Code and Article 35 of the articles of association, all shareholders are entitled, whether during the meeting or in writing before the meeting, to ask questions to the directors with respect to their report or the agenda items and to the auditor with respect to its report.
